YOUR MEDICAL DATA CARRIER
CAN BE TRANSLATED INTO ANY LANGUAGE!

3 Tell us what you want on your MDC

- URL
- Slogan
- Twitter
- Facebook
- Event Name
- Etc...

4 Fill out your customization form and SEND IT IN!

Send your customization form to artwork@medicaldatacarrier.com and we will send you some custom MDC images to choose from with no obligation to purchase.

YOUR CUSTOM MDC!
See Examples Below!

Examples

It's that **EASY!**

1 Complete Data Form on both sides.

*NOTE: Always use a PENCIL for filling out data form. Pens tend to smear, and also pencil allows for you to update information changes.

2 Fold Data Form, insert into MDC, then tuck in flap.

3 Peel and stick on the left side or zip tie for backpacks.
Safe on all helmet surfaces.

Full Graphic Hard Hats

MAKE YOUR HARD HAT PART OF YOUR IMAGE!

If you want to let others know that you are proud to be Canadian, Quebecois, US citizen or want to hide with a camouflage hat or if you just want to show your true colors; It is possible and you do not have to buy extra quantities as we carry 6 models in stock for now (2 Canadian, 2 Carbon, 1 Quebec, 1 Camouflage). We will add more when we see market demand. We can also make personalized full graphic hard hats with your company colors and design in lots of 100 pieces minimum and at a reasonable cost. Let us know what you would like and we will do the artwork and let you approve it. If you are looking for something unique as a gift for your employees or to celebrate a 25th or a 50th year anniversary of the foundation of your company, these hats are the perfect solution.

4A and 3A Lens Coatings

4A COATING

A permanently bonded coating that offers excellent anti-fog, anti-scratch, anti-static and anti-UV properties.

Anti-Fog: Resists fogging and improves vision in humid environments

Anti-Scratch: Extends lens life in abrasive environments

Anti-UV: Absorbs more than 99.9% of harmful ultraviolet radiation

Anti-Static: Reduces dust and particulate attraction

3A COATING

A permanently bonded hardcoat that reduces surface lens scratching. The 3A coating will extend the life of the lens.

Anti-Scratch: Extends lens life in abrasive environments

Anti-UV: Absorbs more than 99.9% of harmful ultraviolet radiation

Anti-Static: Reduces dust and particulate attraction

Work Sheet

Heat Transfer

CSA REQUIREMENTS:

CSA requirement for optional patch and lettering:

- If **non-reflective** material or lettering are used, the **TOTAL** area shall not be greater than 105 cm² (16.28 in²).
 - In front: a maximum of 25 cm² (3.88 in²) can be covered over reflective stripes
 - On back: stripes must not be covered
- If **reflective** material or lettering are used, the **TOTAL** area shall not be greater than 500 cm² (77.50 in²) and can be placed anywhere on the garment. **HOWEVER**, they must not affect the recognizable pattern of the stripes.

ARTWORK FILE:

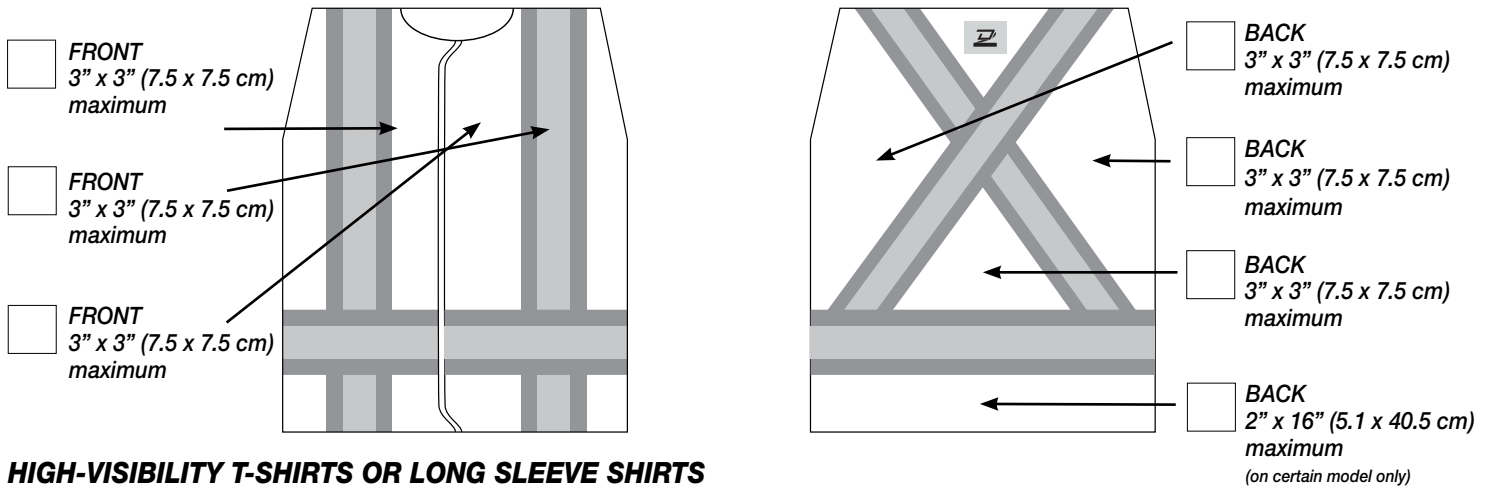

All artwork must be provided in **.eps** or **.ai** format with all text in outline, for Illustrator version CS6 or earlier. We will accept also TIFF, PSD or JPEG format in high resolution (300 dpi min.). Scanned images of artwork, fax copies or Microsoft Word or Excel documents will not be accepted.

ARTWORK APPROVAL:

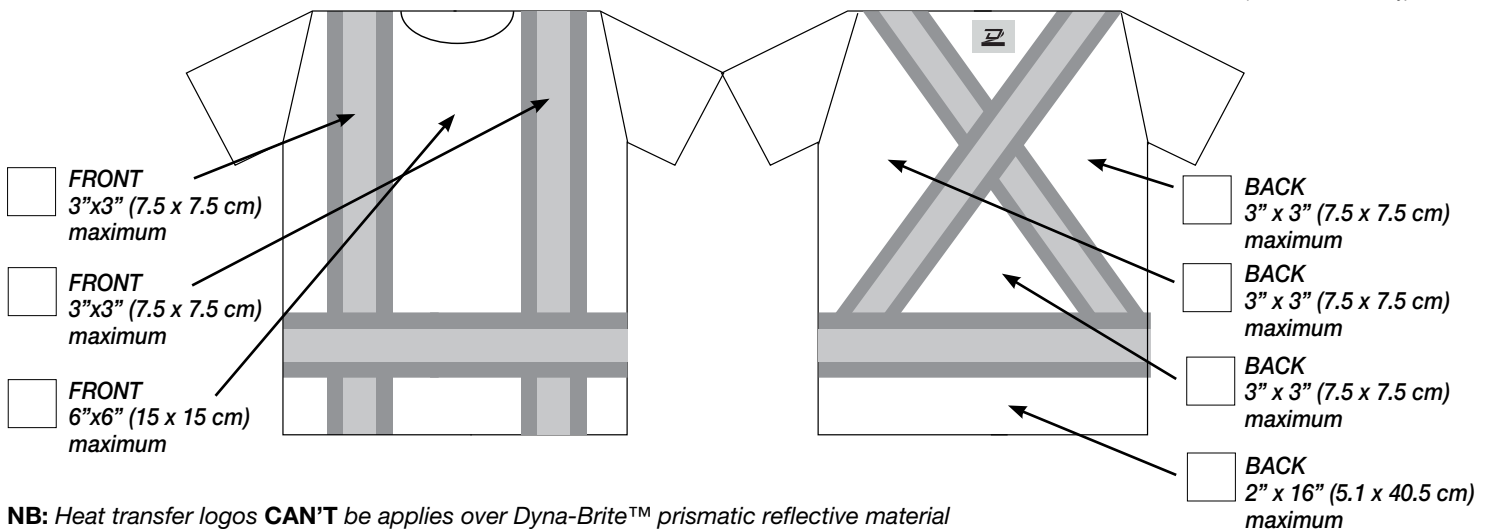

A draft of the artwork will be sent to the customer/distributor for approval. Order will not be entered until we have received customer/distributor approval. Cancellation of the order after receipt of the signed approval will not be permitted. All dies remain the property of DSI Safety Inc.). We are printing in CMYK so there is an unlimited amount of colors.

PLEASE NOTE: TOTAL PRINTED AREA CANNOT BE MORE THEN 16.25 IN² (105 CM²)

HIGH-VISIBILITY VESTS

HIGH-VISIBILITY T-SHIRTS OR LONG SLEEVE SHIRTS

NB: Heat transfer logos **CAN'T** be applies over Dyna-Brite™ prismatic reflective material

Terms and Conditions-General Information

CATALOG PRICING: Listed prices do not include shipping or applicable taxes. Due to factors beyond our control, all prices are subject to change without notice. Please contact promoorders@pipcanada.ca for most up to date pricing and current specials/promotions.

NEW CUSTOMERS: First time orders must be pre-paid (Visa/MasterCard or Check). Subsequent orders are standard terms Net 30 days based on credit approval.

ORDER POLICY: An official PO must be provided when placing an order either by email or fax. A Promo Order Form is available upon request at promoorders@pipcanada.ca

Minimum order value of \$100.00 before taxes is required. This does not apply to sample requests. Please indicate on PO artwork name, color, shipping method and in hands date if applicable. An order confirmation and paper proof of artwork will be supplied for all orders received. All orders and requests must be sent to promoorders@pipcanada.ca.

IMPRINT & SET-UP CHARGES: One color, one location imprint is included in listed pricing. Set-up charge is \$90.00(A) per location. No set-up charges apply if ordering 50+ units of our Eye Protection, Head Protection and Traffic Safety. Set up charges do apply for all our Safety Kits. No set-up charges on repeat orders if ordered within the year.

ADDITIONNAL COLOR RUN CHARGE: \$1.40 (A) per color / per location. We match as close as possible to PMS Colors with no additional charge.

CUSTOMIZATION: If our listed products and pricing do not meet your needs, we can guide you through building your own kit to fit your price point. Contact your Account Representative for assistance and they can help you to customize a kit to meet any stock requirement or price point your customer may desire. Pricing on custom quotations is valid for 30 days from date issued. All custom orders require a 30% deposit.

STANDARD PRODUCTION TIME: For imprinted orders for any of our Safety Kits, Safety Glasses and Traffic Safety Products, allow 10-15 business days from receipt of purchase order and signed imprint approval. For imprinted Hard Hats, allow 20-25 business days after receipt of signed artwork approval. Contact your representative for stock availability as this can affect production time.

ARTWORK REQUIREMENTS: Camera ready artwork is required. All artwork must be vector based on fonts outlined. Artwork files accepted in the following formats: Illustrator AI, EPS, PDF. For non camera ready artwork, a charge of \$80.00 (A) per hour may apply. A copy of your artwork will be e-mailed for approval before processing your order. Orders will only be processed once we receive signed authorization. Please send your order and artwork to promoorders@pipcanada.ca.

SAMPLE POLICY: All sample request must be submitted by Fax or Email. All Blank Samples are available at EQP Pricing + freight charges. All Samples are non-refundable, Non-returnable and may not be credited.

RETURN POLICY: All return requests must be submitted by Fax or Email. If reason for return is due to damage, a product Image proof must be provided before return. Depending on the return there may be a 15% restocking fee. A return authorization number is required , otherwise the return will be refused.

SHIPPING POLICY: All shipments will be sent via best method as determined by Dynamic Safety Promo. Shipping is pre-paid and added to invoice unless otherwise requested. FOB Laval, Quebec. Every effort will be made for on-time delivery. However, Dynamic Safety Promo will not be held liable for shipment delays caused by individual carrier companies (i.e. UPS, Fed Ex, etc) customs or natural causes beyond our control.

DISCLAIMER: We reserve the right to discontinue any product or service or to substitute items of equal or greater value due to availability without prior notice. Colors may vary slightly from catalog images. Prices are subject to change. Please refer to our website for most up to date pricing and current specials/promotions.

LOGOS/STOCK IMAGES: All logos used in this catalog are for example purposes only and are in no way affiliated or endorsing Dynamic Safety Promo.

ORDER CANCELLATION: Must be received in writing and are subject to all costs incurred +15% re-stocking charge.
