

### Technical Data

|                      |   |
|----------------------|---|
| Color                | Brown   |
| Sizes Available      | Finished  |
| Packaging            | Bulk Pack   |
| Packed               | 144/Case  |
| Case Dimensions (cm) | 50.80 x 45.70 x 10.40                             |
| Case Weight (kg)     | 11.79   |
| Country of Origin    | United States                                     |
| Liner Material       | FR Viscose, Kevlar                                |
| Top of Arm           | Blue/Gold Elastic                                 |
| Finger & Thumb       | Thumb Hole  |
| Ply                  | --  |
| Lining               | --  |
| Construction         | Cut-and-Sewn                                      |
| Certifications       | TAA Compliant                                     |
| Product Circularity  | Reusable / Launderable<br>Recycled via Terracycle |

### Kut Gard®

FR Viscose / DuPont™ Kevlar® Blended Sleeve  
with Blue/Gold Elastic End and Thumb Hole

- 60% FR Viscose / 40% Kevlar blend
- Thermal and flame protection from heat and open flame of welding torches
- Offers cut resistance for light duty applications, 2-ply Kevlar cuff offers A3 cut resistance
- Exceptional comfort, lightweight, breathable, and shrink resistant
- Kevlar knit wrist offers cut and heat resistance and prevent debris from entering the sleeve
- Elastic end provides a snug fit and helps eliminate debris from entering the sleeve

### Applications

- Cut Resistance with Light Heat Protection
- Automotive Applications
- Glass Operations
- Light Heat Applications

### Performance Data

|                                 |    |
|---------------------------------|----|
| Cut Level                       | A1 |
| ANSI Puncture Level             | -- |
| ANSI Contact Heat Level         | 1  |
| ASTM F1358 Vertical Flame Level | 1  |

### Care Instructions

KEY: Made from recycled or bio-based Launderable Recyclable via TerraCycle®
