

### Technical Data

|                      |                              |
|----------------------|------------------------------|
| Color                | Clear                        |
| Sizes Available      | OS                           |
| Packaging            | Bagged Pair                  |
| Packed               | 144/Case                     |
| Case Dimensions (cm) | 51.00 x 29.00 x 46.50        |
| Case Weight (kg)     | 5.00                         |
| Country of Origin    | Taiwan                       |
| Lens                 | Clear                        |
| Frame Style          | Rimless                      |
| Lens Color           | Clear                        |
| Frame Fit            | Universal                    |
| Lens Coating         | Anti-Scratch, FogLess 3Sixty |
| Bridge               | Molded                       |
| Temple               | Molded                       |
| Diopter              | --                           |
| Base Curve           | 10                           |
| Construction         | --                           |
| Certifications       | ANSI Z87.1, TAA Compliant    |
| Product Circularity  | Recycled via Terracycle      |

### Zenon Ultra-Lyte™

Rimless Safety Glasses with Clear Temple, Clear Lens and Anti-Scratch / Fogless® 3Sixty™ Coating

- Squared lens shape with a slight taper, provides modern styling for the wearer
- Ultra-lightweight design conforms to the head promoting all-day wear
- Spring fit temples offers a comfortable fit that conforms to the head
- FogLess® 3Sixty™ enhanced hydrophobic action resists lens fogging and provides clear vision in extreme working conditions
- Molded nose bridge design to fit the vast majority of users
- 10 Base curve lens
- Meets ANSI Z87.1-2020 standards

KEY: Made from recycled or bio-based Launderable Recyclable via TerraCycle®
