

I-Tek

A innovative design for a personalized fit and all day comfort

- Pivoting and flexible bi-material temples provide the most comfortable non slip fit
- Soft adjustable anti-slip nose bridge offering optimal positioning
- The Soft flange co-injected directly all around the lens provides a full around fit and appropriate dust and particle protection from different sides
- This safety glass has no metal parts
- Available in Clear, Smoked, Clear KN and Indoor/Outdoor UV400 to give the right solution for every application
- Very light, only 25gr
- 99,99% UV protection
