

US Mesh®

Stainless Steel Mesh Apron with 3-Piece Elastic Strap

- Individually welded stainless steel rings deliver the highest level of cut resistance available, plus significant protection against stabs and punctures
- All-metal garments are often chosen for sanitation and food safety purposes; Steel is non-corrosive and will not harbor bacteria
- Quality features include 316L surgical grade stainless steel and 4-ring hook up throughout
- Appropriate for wet conditions; Easily cleaned and highly sanitary
- 21 CFR compliant and appropriate for direct food contact
- USM-2107 apron is 20" w x 34" and comes with a USM-9037 3-piece black elastic strap set
- Replacement strap USM-9037

Applications

- Food Processing
- Food Service
- Fishing Industry
