## Care Instructions

Do Not Wash

## MaxiChem®

### Nitrile Blend Coated Glove with Nylon / Elastane Liner and Non-Slip Grip on Palm & Fingers – 14"

- Chemical Resistance - Delivered through the ATG® LiquiTech® technology platform
- Ultra Lightweight - Synthetic coating combined with an industry leading super light seamless knit liner provides excellent comfort, sensitivity, fit and dexterity
- Tailored Cuff - Keeping the cuff close to your hand so maintaining your fingers at the tip of the glove to maximize dexterity
- Micro-cup non-slip grip finish allows for a controlled and superior grip in oily and wet applications. The nonslip grip is only applied where it is actually needed - in the palm area - to ensure flexibility isn't compromised
- All ingredients used in the manufacturing and construction of this product are compliant with the REACH legislation
- This glove has been laundered prior to final packaging making it clean and safe for use
