

Technical Data

Color	White
Sizes Available	OS
Packaging	Bagged Each
Packed	10 Pair/Case
Case Dimensions (cm)	17.78 x 25.40 x 34.29
Case Weight (kg)	1.13
Country of Origin	United Kingdom
Protection From	Organic Vapors
Construction	--
Certifications	TAA Compliant
Product Circularity	Reusable / Launderable

JSP® Organic Vapor Cartridge

- Organic Vapor (OV) cartridge
- The cartridges are made of a sturdy outer casing design helps to extend product lifespan
- Fitted with hard-wearing inhalation valves and gaskets are maintenance-free and integral to the cartridge, making the respirator quick and simple to clean
- Cartridges are subject to rigorous testing during the assembly process, ensuring top performance and the highest standards of quality
- Compatible with all JSP® Force Typhoon8™ half mask respirators
- Cartridges are easy to fit and remove, using a standard bayonet fitting to attach to the respirator, simply twist and lock in place
- Low profile design allows full field of vision and works better with other above-the-neck PPE
- NIOSH Approval Number: TC-23C-4081
- NIOSH Approval Number: TC-23C-4081

KEY: Made from recycled or bio-based Launderable Recyclable via TerraCycle®
