### Technical Data

|                      |                         |
|----------------------|-------------------------|
| Color                | Black                   |
| Sizes Available      | 7-11                    |
| Packaging            | Bagged Pair             |
| Packed               | 48 Pair/Case            |
| Case Dimensions (cm) | 58.00 x 38.00 x 19.00   |
| Case Weight (kg)     | 0.00                    |
| Polymer              | Butyl                   |
| Thickness            | 20 Mil                  |
| Lining               | --                      |
| Length               | 14"                     |
| Cuff                 | Rolled                  |
| Grip                 | Smooth                  |
| Dip                  | --                      |
| Construction         | ESD Safe, Unsupported   |
| Certifications       | TAA Compliant, EN 16350 |
| Product Circularity  | --                      |

### Assurance®

#### 20 Mil Butyl Rubber Glove with Smooth Grip-14"

- 20 Mil Bromine Butyl Rubber ideal for full hand chemical emersion
- The addition of bromine enhances temperature resistance, offering superior durability.
- Designed to handle extreme exposure to exposure to to polar organic compounds such as ketones, carboxylic acids, esters, and amine derivatives
- 14 " length for extended forearm protection
- Smooth Grip
- Tested to EN 16350 for electrostatic properties to help protect any static sensitive materials or equipment

### Performance Data
