Kut Gard® ECO Series™
2-Ply ASP Aramid Sleeve

- Yarn features the same performance properties as standard yellow and black aramid
- Dark color hides dirt and grime to reduce the need to launder, helping to extend the lifetime of the sleeve
- ASP will not discolor when exposed to UV light, helping to increase visibility and worker confidence in sleeve performance
- Seamless knit for comfort and flexibility
- 2-Ply construction for added protection
- *Due to the nature of the reclaimed aramid fiber from different color lots, final product color may vary. This does not affect performance properties.
