

PIP®

Reusable TPE Ear Plugs - NRR 25

- Avoid minor injuries and irritation with a smooth, dirt-repellent surface
- Combination of sealing flanges and discs for best wearing comfort and attenuation
- Stiffened shaft makes insertion easy and avoids contact with the parts inserted into the ear
- Natural sound image and excellent for speech clarity and comprehension
- Reusable, which makes these ear plugs very cost effective
- Easy to store in the packet when the plugs are not in use
- The ear plugs can be cleaned with mild soap and water

Applications

- Construction Applications
- Manufacturing
- Workshops
- Energy
