

Ironcat®

Superior Top Grain Split Deerskin Leather MIG Welder's Glove with Kevlar® Stitching and Foam Lining

- Split Deerskin leather construction provides dexterity and flexibility
- Cotton foam lining on back of hand gives welders additional heat protection but still absorbs moisture
- Stitched with Kevlar® adding strength and burn resistance
- Reinforced thumb crotch strap for extended glove life, enhanced comfort, increased abrasion resistance and added durability in a high-wear area
- Straight thumb increases comfort in closed-fisted work
- Gold split cowhide gauntlet cuff for added forearm protection and allows for easy on and off
- Rolled leather hem cuff for longer wear

Technical Data

Color	Gold
