G-Tek® 3RX™

G-Tek® 3RX™ 13G Black Recycled Yarn/Elastane Blended Seamless Cut Resistant Knit Gloves With Gray Polyurethane Grip

- Each pair is made from one recycled plastic bottle, reinforcing our commitment to developing innovative products that are less harmful to the environment
- Seamless knit blended liner fibers made of recycled PET water bottles, Polykor fiber and elastane for comfort, finger dexterity and breathability
- 55% of the glove's weight is made from recycled material which allows 40.83g reduction in CO2 emissions per pair
- Polyurethane coating on the palm and fingertips provides excellent abrasion resistance and excellent dry, slightly damp or oily grip. Its fine coating allows precision handling.
- Resistant to contact heat at 100B°C
- Knit Wrist helps prevent dirt and debris from entering the glove
