

G-Tek®

18 Gauge Seamless Knit full coated Nitrile glove with additional second sandy microsurface nitrile coating to the palm & fingers.

- First full nitrile flat coating provides a water/oil proof barrier
- Secondary sandy nitrile coating provides excellent grip in dry, wet or oily applications whilst the hands stay dry and clean
- 18 Gauge ultra lightweight liner maintains the dexterity and allow the glove to achieve the highest level of dexterity for a double coated glove.
- Anatomically shaped to reduce hand fatigue over extended periods of use.
- Offers an excellent barrier to oils and greases.
- TouchScreen

Care Instructions

The gloves can be machine washed at 40°C with a standard detergent (3 wash cycles). Air dry. This helps extend the glove's lifespan and reduce costs and waste.
